Dear Nathan,

We are pleased to inform you that Alvaro Bros has been recognised for our quality of construction at the 2011 Master Builders Association NSW Excellence in Housing Awards.

Our new house at Kirribilli took out the award for Contract Houses in its category.

We recognise that achieving these awards requires a lot of hard work and most importantly - a great team.

We would thus like to take this opportunity to thank you for your contribution to this project - we couldn't have done it without you!

Kind Regards

Domenico & Giuseppe Alvaro
