8 Reasons why to choose Lift Shop

01

CERTAINTY

A showroom visit lets you experience the lift before you own it.

Showroom visits are essential to help you learn and experience the proposed lift system.

Informed and educated purchasers usually select the best.
So research your many options carefully.

02

THE SAFEST LIFTS

The only lifts to include “in-cabin self-rescue” feature.

24/7 call centre assistance.

Fully code compliant.

Full height infra-red light ray curtains.

Auto lower and unlocks in the event of a power failure.

05

UNBEATABLE VALUE

Our formula is:

Lifts – proven long history, stable and secure manufacturer, ultra-reliable premium quality.

Volumes – Lift Shop sells more lifts than any other Australian home lift specialist.

Costs – Annual costs shared by 5 offices, 1200+ new lift clients, and thousands of routine service clients.

We do not have hidden extras.

06

A GENUINELY GREAT REPUTATION

Check Google Reviews and sites like productreview.com.au

100's of genuine, original testimonials from real clients can be read in our showroom's.

Independent awards and recognition.

03

THE LEADER FOR TECHNOLOGY

2 speed drives for maximum speed with smooth acceleration.

Computer monitoring of the latest lift functions for efficient diagnosis and repair.

Sized to suit, and styled to suit, has always been the Lift Shop advantage and the big difference from others.

04

SUPPORT & FREE INCLUSIONS

After your order is placed we have full time and dedicated, Construction Support, Site Managers, and Installation Teams to ensure your lift is built on time and budget.

The Lift Shop team is coordinated by our custom database which tracks everything. We are the experienced and proven solution for a stress-free delivery of your lift.

07

LOW SERVICE COSTS

Lift Shop only services and maintains its own quality lifts with full technical support/spares in Australia.

Other companies lifts distract from the attention good clients deserve.

We focus on you.
